

# Feat for Food Sponsorship Form

**FoodBank South Africa** is a section 21 non-profit company working to eradicate hunger and malnutrition in South Africa. Each year FoodBank, supported by many of the country's major food companies, rescues thousands of tonnes of good food which otherwise would be wasted.

**Feat for Food** is an easy way to make a difference in South Africa. Simply sponsor me to perform my 'feat'. All the funds raised will be donated to allow FoodBank to feed the hungry in South Africa.

R100 would provide over 70 nutritious meals to hungry South Africans, but even a little helps!
